Subject: SCE&G/Dominion Ripoff

Just a message from a South Carolina resident and SCE&G customer that has been by you and the utility company. You have not served the residents of South Carolina well! You have let us down and should be ashamed of your decisions on this Dominion takeover. Your actions raise several questions of honesty and integrity! I think you have neither. Dominion and SCE&G will continue to make millions of dollars and the people of South Carolina will pay for a wasteful and incompetent decision to build nuclear reactors and now to continue to pay for their and your incompetence! Merry Christmas! NOT! Happy New Year! NOT!!!

PSC,Public Service Commission?

You do not serve the public!
